

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## **MUNICIPAL ORDINANCES, RULES, AND REGULATIONS PERTAINING TO PUBLIC HEALTH.**

---

**COHOES, N. Y.**

### **Communicable Diseases—Admission of Infected Persons or Articles into City— Library and School Books. (Reg. Bd. of H., Apr. 10, 1916.)**

SEC. 14. No person or article liable to propagate a dangerous disease shall be brought within the limits of this municipality unless by the special permit and direction of the health officer, and anyone having knowledge that such person or article has been brought within such limits shall immediately notify the said health officer thereof.

SEC. 15. School books or books from a public or circulating library shall not be taken into the house where any communicable disease shall exist during the period of isolation and quarantine. In case school or library books have been taken into such house they shall not be returned to circulation but destroyed or disinfected to the satisfaction of the health officer of the municipality.

### **Spitting—Prohibited in Public Places—Spittoons. (Reg. Bd. of H., Apr. 10, 1916.)**

SEC. 16. Spitting upon the sidewalk or crosswalk of any public street in the city of Cohoes, or upon the floor of any tenement house which is used in common by the tenants thereof, or upon the floor of any hall or lodging house which is used in common by the guests thereof, or upon the floor of any theater, schoolhouse, church, store, factory, or any building which is used in common by the public, or upon the floor of any depot or station, or upon the floor of any railroad car or any other public conveyance, or upon the station platform of any railroad or other common carrier is hereby forbidden.

Any person owning or having the management or control of any such building, store, factory, railroad car, or other conveyance, or any depot or station, station platform or common carrier is hereby required to keep posted in each of said places a sufficient number of notices forbidding spitting upon the floors and calling attention to the provisions of this section.

Any person owning or having the control or management of such buildings, stores, factories, depots, stations, station platforms, or other common carriers is hereby required to provide sufficient and proper receptacles for expectoration, and also to provide for the cleansing and disinfection of said receptacles at least once in every 24 hours.

### **Foodstuffs—Protection—Sale of Unwholesome, Prohibited. (Reg. Bd. of H., Apr. 10, 1916.)**

SEC. 10. No butter, cheese, meat, fish, bird, fruit, or vegetables, or anything for human food, not being then fresh or properly preserved, sound, wholesome, and safe for such use; nor any flesh of any animal which died by disease, or which was at the time of its death in a sickly or unwholesome condition; nor the carcass or meat of any calf which was at the date of its death less than four weeks old, or of any lamb which was at the date of its death less than eight weeks old, or of any pig which was at the date of its death less than five weeks old shall be brought within the limits of this municipality, nor offered or held for sale as food therein.
